REGULATION EC n. 1907/2006 “REACH” regulating the registration, evaluation, authorization and restriction of chemicals

June 1st 2007 came into force the European EC n.1907/2006 Regulation EC n.1907/2006 (REACH) in order to regulate the chemicals marketing and use. From 1st June 2008 that Regulation entered into its operational phase.

With this document we want to inform you about Cy.Pag. Automation Srl position about this regulation.

Cy.Pag. Automation Srl, as a producer of articles that do not emit, intentionally or in any reasonably foreseeable way, any substance during the normal use, has no obligation of registration or pre-registration.

Cy.Pag. Automation Srl, as a downstream user of substances, however, intends to comply to the obligations that the regulations prescribe. Cy.Pag. Automation Srl took action with their suppliers in order to make them fulfil their obligations as identified in accordance with the criteria of the REACH.

Also, in accordance with what the regulation require, Cy.Pag. Automation Srl is verifying the presence of hazardous substances in the articles produced or marketed in order to notify them to the agency responsible for the European Union and will provide prompt communications on the matter to its customers.
